**Fire Prevention
Essay Winners
Are Announced**

Fire Chief Fred Pimental of the Albany Fire Department announced today the winners of this year's Fire Prevention essays and posters. Competition was limited to the Albany Schools and each school competed with its own students. Due to the interest in the contest the winners were difficult to name and a great deal of time was devoted to grading in order to obtain the winners. The Chief stated that without the cooperation of the Chamber of Commerce, Junior Chamber of Commerce and the Albany Association of Insurance Agents the contest would not have enjoyed the tremendous success it attained. Final winners and their schools are listed.

Poster Contest—Cornell School: Ronnie Douglas, Colleen McHone, Richard Durand, Judy Robertson, Ruth Weiner, Douglas Lambert, Ronnie McKie, Cary Hirabara, Ronnie Lyster, Lester Bigbee, Dale Niemela, Barbara Lindstrom, Jimmy Steiner, Rosetta Selix, Harry Deane, Carole Sue Guppy. Marin School: Martha Geering, Darlene Frandsen, Kathryn Dietz, Andy Kolari, Diane Liotta, Michael Volz, Kathy Finn, Susie Boutacoff.

The request of Michael Edelstein, of 937 Pierce Street, for a reduction in rear yard requirements, was sent back to the Planning and Zoning Commission for its further consideration and recommendation, and the matter placed on the calendar for action by the council at its meeting on Dec. 27.

Annual Christmas Tree Fete Set for Hotel Claremont
Following a gala preview the evening of Dec. 7, the fifth annual Festival of Christmas Trees opened a four-day stand at the Hotel Claremont in Berkeley last night. The trees will be exhibited on the mezzanine floor Dec. 9, 10 and 11, from 10 a.m. to 10 p.m.
Sponsored by the Branches of Children's Hospital of the East Bay, the event is acclaimed by artists and connoisseurs as the most beautiful of its kind. It includes a display of some 175 small trees decorated in great variety and beauty. About half the trees are the work of artistic branch members. The remainder are contributed by friends of the hospital, civic leaders, newspaper men and women, decorators, artists, florists, stores and other commercial firms.
A feature of the show this year is the special table of tree ornaments and decorations that will be offered for sale. Also, as an added attraction, a Christmas show is planned for children on Saturday only, with two performances scheduled at 10 a.m. and 1 p.m. in the Salem Room of the Claremont Hotel.
Admission to the Festival of Christmas party is 75 cents.
Admission to the Children's Christmas party is 75 cents. Tickets to the preview are \$2.50, and may be obtained in advance through the office of the branches.

Hanna Boys Center Observes Birthday
The 100 young residents of California's "Boys' Town," received a happy birthday greeting 15 weeks from Gov. Goodwin J. Knight.
In a telegram to Rt. Rev. William L. O'Connor noting the sixth anniversary of Hanna Boys' Center, Sonoma home for underprivileged boys, the governor said:
"It is a pleasure to join your host of friends and well-wishers in extending congratulations to you and the young citizens of Hanna Boys' Center upon your sixth anniversary of service to the future of our state and nation in providing a real home for deserving young men of all races and creeds. Hanna Center is making substantial contributions to constructive, responsible citizenship, while providing an effective deterrent to the spread of juvenile delinquency. All Californians may take pride in the progress and accomplishments of Hanna Boys' Center."
The boys' home opened on Dec. 4, 1949.

**Better be Careful
In Breaking in a
New Automobile**

With the 1956 models coming out all over the country, a lot of us will be getting around to buying a new car and once we have bought it, points out the National Automobile Club, we'll be faced with the chore of breaking it in. That's a little chore but an important one, for the way in which you handle your new car during these first few hundred miles can have considerable bearing on the way the car stands up through its entire life.

The important things to keep in mind is that the automobile engine, like any engine, is made up of a large number of finely machined parts. These parts fit snugly together, many surfaces sliding on other surfaces and separated from each other by only a very thin film of oil. Before these parts have settled down to working together there's apt to be a little more than normal friction and this friction increases rapidly as the speed of the engine increases. That's why you should keep your speed well down during the first few hundred miles and should avoid the unnecessary use of low and second gears since the engine turns over faster in these lower gears. And while you're keeping your speed down, make way for those other motorists by keeping well over to the right side of the road.

A lot of idling is bad for a new engine, too. An idling engine is inclined to run hot since the fan is moving slowly. An idling engine also permits the battery to discharge and weaken itself and with a new car you need a strong battery to help you to kick over that on-the-stiff-side engine.

**Parking Lights
Banned in Driving**

SACRAMENTO — The California Highway Patrol reports that many motorists are still using parking lights as driving lights.

The law prohibits the use of parking lights as driving lights at times when headlights or foglights are required," declared Patrol Commissioner B. R. Caldwell. "This law was necessary to correct an obviously dangerous practice.

Parking lights when used as running or driving lights have a tendency to deceive other drivers by creating illusions of distance and speed of oncoming vehicles," Caldwell said.

"We urge every driver to develop the habit of lighting the headlights, not the parking lights, when first turning on car lights at dusk or whenever impaired visibility requires lights. This will help other drivers and pedestrians see your vehicle better and will provide more safety at times when our traffic accident rate is highest."

Bank of America Will Distribute Xmas Club Checks

Marking the near approach of the Christmas shopping season, distribution of Bank of America "Xmas Club" checks totaling \$126,857 to 934 residents of Albany and vicinity was announced today by Wm. McAuley, manager of the local branch.

McAuley said that Bank of America will distribute \$52,500,000 throughout the state to 435,000 club members who have followed the popular Christmas savings plan during the past year. This is an increase of \$4,500,000 over the amount distributed to 400,000 Californians in 1954.

Christmas checks receive a warm welcome from club members, McAuley said and are used to help fill the children's Yuletide stockings as well as providing funds for the payment of taxes, insurance premiums and other special purposes. He added that Christmas Club accounts for 1956 are now being opened at the branch.

Crowded for Space?
If you're all cramped up in a
small house, why not try this for
size? This spacious 6 room home
contains 3 large bedrooms, plus
sleeping porch, an extra-large
kitchen, with modern Youngs-
town sink and large tile bath-
room. Plus, a full basement, and
an extra large lot, with garden,
and well. All this for \$12,500, in
one of Albany's good neighbor-
hoods near Marin Ave., Albany
Hospital. Probable GI financing
with \$1250 down will also handle.

Spanish Stucco
Near Solano shopping, this attrac-
tive home has 2 large bedrooms,
and extra large kitchen, wired for
220. Also plenty of heat from the
central heating system. Room
for hobby or workshop in full
concrete basement. This is fine
value, and one of Albany's better
buys.

Upper Albany Stucco
There are very few homes on the
market in this desirable neighbor-
hood on Ordway, easy walking
distance to Marin School, and
this is one of the better values.
Consists of 5 large rooms, plus
extra large utility room, with
better than 1200 square feet in
home. You'll love the large mod-
ern kitchen with tile sink, the
comfortable rooms, with central
gas heat, the many other features
not found usually. This low
priced bracket of \$12,750. Call
right now for appointment.

Price Conscious?
If so, we don't believe there's a
better buy to be found than this
3 room MacGregor stucco home
on Spokane near Albany High,
and Memorial Park. For \$11,750,
it's impossible to duplicate. Fur-
thermore, a low down payment
can buy it. Call us for details on
the easy financing.

A Cottage Small
Yes, small but modern, only 10
years old, on beautiful Ashbury
Ave., near Fairmount shopping
district. It's a studio type home,
very artistic with beam ceiling,
fireplace, and 3 nice rooms. A
fenced-in back yard, with pictur-
esque creek winding it way at ex-
treme rear of yard. Truly a doll
house for a couple. \$950 down
will make this your home.

Duplex Buyers!
Beyond doubt, this is one of the
finest duplexes built in Albany,
constructed by old-time Albany
builder for his own use, and just
placed on market for first time.
Built in 1939, it has that fine
quality pre-war construction, to-
gether with modern features sel-
dom found in one of today's new
duplexes. Each side has 4 1/2
rooms, 2 bedrooms, plus extra
large utility rooms, with inside
entrance to the large garage. The
kitchens are extra large, with tile
sinks, and each unit has over 900
square feet, almost as large as a
home itself. Ideal for 2 families
wanting to live adjacent to each
other. Price of \$18,950 is far, far
below today's reproduction costs.

Small Developers!
Here's a swell deal for you. An
exclusive 3 bedroom home, newly
decorated in and out, good foot-
cottage, large kitchen. On 50x100
lot, with 25 feet vacant. You can
build either another home or mul-
tiple units on vacant lot, as zoning
is R-2. All this for only \$9750,
with small down payment. In
good location. How can you go
wrong here?

tains 6 rooms, 3 bedrooms, 3
bathrooms, with all-electric GE
kitchen. Latter alone has \$2000
worth of appliances built-in or in-
stalled. Priced at the GI appraised
valuation. Built under rigid build-
ing codes and approved for occu-
pancy. The view from this fine
home is simply terrific. Owner
is considering a small down pay-
ment, or may take small home
or Note in exchange. Why not
talk this over with us?

8 Room Home!
A very scarce item in Albany,
but if you need 4 bedrooms or 3
bedrooms plus large rumpus
room, this is it! An extra large

2 car garage. This will GI, or
